PRELIMINARY AMENDMENT

Assistant Commissioner for Patents
Washington D.C. 20231

Sir:

Prior to taking up the above-identified patent application for examination, please amend the application as follows:

In the Specification

Please replace the paragraph at page 2, lines 1-2 with the following rewritten paragraph. Per 37 C.F.R. §1.121, this paragraph is also shown in Appendix A (attached herewith) with notations to show the changes made.

Table 1. Species and donor cell type used to produce cloned mammals.

Species	Cell type used to produce a nuclear transfer offspring (clones)		
	Embryonic	Fetal	Adult
Mouse	Cheong et al., 1993	None reported	Wakayama et al., 1998
Rabbit	Stice and Robl, 1988	None reported	None reported
